

## Volunteering offer

### *Youth in motion !*

Service Jeunesse - CIAS – Loudéac Communauté Bretagne Centre

Loudéac, France

#### **Project description**

The Ligue de l'enseignement organization (Brittany, France), is the coordinating structure of "Youth in motion" project proposed by the rural community of Loudéac. The volunteer will carry out his or her duties within the department of the community that deals with social and young people issues. The volunteer will be accompanied by the permanent animation team of the community. He or she will be able to support and contribute to three main missions which aim to contribute to and encourage the civic participation of young people and the mobility of young people :

- 1- Support the youth worker in the creation of a network of youth associations by for example going to meet youth associations in the area, etc.
- 2- Promote international Mobility and Raising Awareness of Europe by for example inventing animation tools, etc.
- 3- Follow the activities of the Youth Information Point by, for example, attending school and outdoor prevention workshops, etc.

#### **Accommodation, food and transport arrangements**

The European Volunteers will be hosted in a rented accommodation in Loudéac, a town in the centre of the territory, taken care of by the Youth Service. A transport pass will be offered to the volunteers if necessary. The main place of assignment for the volunteers will be the Youth Information Point. They will be provided with computers, digital tablets, desks and email addresses specifically related

to their assignment.

## **Training during the project**

At the beginning of the mission, the Volunteers will be received by the team of the community in order to present the framework of the volunteers' mission and the defined mission objectives, the human and material resources made available to the Volunteers. The European Volunteers will be accompanied on a daily basis by : - The Loudéac Community Child/Youth Coordinator - The two professionals of the Youth Information Point, A weekly appointment will be scheduled.

## **Volunteer profile**

It seems to us important that they are interested by animation and have quite experience in the field of Play, Leisure and Childhood. Volunteers must be serious, motivated and dynamic. Skills in multimedia communication - social networks would be a plus.
